***Allowable Subject Matter***

3. The following is an examiner's statement of reasons for allowance:

Claims 2, 6, 7, 16, 17 are allowed because the prior art fails to disclose or suggest a medical device anchor comprising in combination with other limitation of the claims, first and second anchor sections curve arcuately outward from an anchor shaft and back toward the anchor shaft.

Claims 19-22, 28 are allowed because the prior art fails to disclose or suggest a medical device anchor comprising in combination with other limitation of the claims, first and second anchor sections expanding in directions transverse to the longitudinal axis of the device.

Claim 23 are allowed because the prior art fails to disclose or suggest a medical device anchor comprising in combination with other limitation of the claims, first and second anchor section extending outwardly from the anchor shaft in spiral configuration.

Claims 24-27 are allowed because the prior art fails to disclose or suggest a medical device anchor comprising in combination with other limitation of the claims, an expandable anchor at a second end of each anchor shaft being formed integrally with the anchor shaft by splitting the anchor shaft longitudinally a second end thereof to form first and second anchor sections.

Claims 31-38 are allowed because the prior art fails to disclose or suggest a medical device anchor comprising in combination with other limitation of the claims, a locking unit as claimed.

Claims 40-46 are allowed because the prior art fails to disclose or suggest a method for positioning and anchoring a blood clot filter comprising in combination with other limitation of the claims, a step of enclosing an anchor in a filter leg until after the filter leg engages a blood vessel wall and the step of propelling both an anchor and the a distal end section of the anchor shaft through the blood vessel wall.

Claims 47-50 are allowed because the prior art fails to disclose or suggest a medical device anchor comprising in combination with other limitation of the claims, a drive shaft for controlling the movement of the anchor shaft as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
